### Home 1964-65 to 1967-68

### Home 2004-05 to 2005-06

The kit for 2005 - the year of the greatest European Cup final comeback of all time, securing Liverpool FC's fifth European Cup.

Liverpool FC's kit is recognised around the world. Now, for the first time ever, a collection of kits from 1945 to the present day are celebrated in a ground-breaking set of hand-enamelled 18ct gold-plated badges.

### A piece of Liverpool FC history

Each badge tells part of Liverpool FC's amazing postwar history. From the classic red shirt and white shorts worn for 60 years... to the famous all-red strip, introduced by Bill Shankly to intimidate opposing teams... to the strips worn for the five European Cup wins... the league and FA Cup triumphs... and so much more!

Skilled craftsmen have designed and made these unique badges using time-honoured skills. Each colour is meticulously hand-applied – fusing the enamel into a hard, jewel-like surface. Each expertly-crafted badge is lavishly plated in precious 18ct gold – a luxurious finishing touch!

You will receive a free fact card with every badge detailing the significance of the kit in the club's history, and an impressive custom-designed wooden display free of charge!
